

REQUEST PERMISSION TO BRING A MOBILE PHONE TO SCHOOL

Please note that you are asked to make your child aware of the rules relating to mobile phones within school, which are set out below.

I understand that the following conditions apply:

1. On arrival at school, mobile phones should be switched off and deposited in the phone box.
2. The use of mobile phones (including cameras) is not allowed within the school grounds at any time (including in before and after school clubs / interventions and when leaving the school site)
3. Mobiles should only be brought to school if there is a valid reason to do so (please state the reason below). Permission will usually only be given if your child travels to and from school independently.
4. If these conditions are not adhered to, permission to bring a mobile phone into school may be withdrawn
5. The school is not responsible for the loss, theft or damage to the phone. Please make arrangements to include this in your household insurance or other appropriate cover.
